LB 142, 75

CLERK: I have nothing further, Mr. President.

PRESIDENT: We go to General File then and the priority bills. LB 142 is the first one on your agenda. What do you have on that, Mr. Clerk?

CLERK: Mr. President, LB 142 was introduced and read on January 10, 1977. It was again read on May 5, 1977. At that time the committee amendments were adopted as amended. Currently there were amendments that were offered by Senator Bereuter which were constituted amendments to the committee amendments. They were adopted. We now have pending, Mr. President, amendments offered by Senator Newell and they can be found on page 1501 of the Legislative Journal.

PRESIDENT: Senator Bereuter, has the bill been addressed by the introducer, do you recall?

SENATOR BEREUTER: Numerously, I think. I do have a motion I think would expedite things.

SENATOR BEREUTER: Ask for bracketing.

PRESIDENT: Alright, there's a request for unanimous consent to bracket.

PRESIDENT: You've heard the motion for unanimous consent. Is there an objection? Seeing none, the motion prevails. The bill is bracketed until March 1 of 1978. I have LB 75.

CLERK: Mr. President, LB 75 was introduced by Senator Shirley Marsh of the 29th District. It was read for the first time on January 6, 1977. It was referred to the Constitutional Revision and Recreation Committee. Mr. Reutzel added his name as co-introducer to the bill, I believe. The committee amendments were considered by the body on May 9, 1977, but they were not adopted. We now have pending a motion offered by Senator Chambers. (Read motion offered by Senator Chambers found on page 158 of the Journal).

PRESIDENT: Would you advise the chair again? The committee amendments have not been adopted?

CLERK: They have not, Mr. President. There was a motion to adopt them and that motion lost.

PRESIDENT: Okay, alright. Senator Chambers, do you want to take up your motion?

SENATOR CHAMBERS: Mr. Chairman, it's been a while since that amendment was offered so I would ask that the Clerk read the
